### Hymn #389 Gathered Here

Gathered here in the mystery of the hour.  
Gathered here in one strong body.  
Gathered here in the struggle and the power.  
Spirit draw near.

### Hymn #1017 Building a New Way

We are building a new way.

We are building a new way.

We are building a new way,  
feeling stronger ev'ry day,  
We are building a new way.

We can feed our every need.

We can feed our ev'ry need.

We can feed our ev'ry need,  
Start with love, that is the seed.  
We can feed our every need.

Peace and freedom is our cry.

Peace and freedom is our cry.

Peace and freedom is our cry,  
Without these this world will die.  
Peace and freedom is our cry.

We are building a new way.

We are building a new way.

We are building a new way,  
feeling stronger ev'ry day,  
We are building a new way.

### #1054 Let This Be a House of Peace

Let this be a house of peace,  
Of nature and humanity,  
of sorrow and elation,  
Let this be our house,  
A haven for the healing,  
An open room for questions,  
and our inspiration.

Chorus

Let this be a house of peace.  
Let this be our house of peace.  
Let this be a house of freedom  
A guardian of dignity  
and worth held deep inside us,  
Let this be our house,  
A platform for the free voice,  
Where all our sacred difference  
here shall not divide us.

Chorus

Let all in this house seek truth,  
Where scientists and mystics,  
abide in reverence here,  
Let this be our house,  
A house of our creation,  
Where works of art and melodies  
consecrate the atmosphere.

Chorus

Let this be a house of prophesy,  
May visions for our children  
Be our common theme.  
Let this be our house  
Of myth and lore and legend,  
Our trove of ancient story,  
cradle of most tender dreams.

Chorus

### The Unitarian Universalist Covenant of Right Relations

A covenant of right relations represents the promises we make about how we want to treat each other and serve the wider community. It is a set of guidelines to help us achieve our shared Vision of being an inclusive religious community, a beacon for reason, meaning and bold social action. The intent of this covenant is to promote a respectful, meaningful, nurturing community while reducing misunderstanding and conflict.

We, Members, Friends and Staff of the Unitarian Universalists of Clearwater, aspire to abide by this covenant of right relations to create a beloved community informed by our UU Principles, inspired by our practice of loving-kindness and sustained by our friendships.

We build and serve our community with love and compassion developing meaningful, respectful relationships. We share our joys and concerns. We gladly broaden our circle of friends to include and welcome newcomers.

We come together in peace, sharing the belief in the inherent worth and dignity of all. We cherish our children as our future, promote our youth and honor the elders for the foundations they have built.

We are supportive of one another's self-development and spiritual growth, acknowledging that each person has a unique path and truth.

We are kind and considerate and we express loving gratitude. We speak kindly of all, especially of those who are not present.

We speak with care, listen appreciatively to each other, and assume others speak with good intentions. We help each other see possibilities inherent in viewpoints other than our own, truly welcoming and respecting the insights of others.

We are generous with our time, talents and treasures to encourage, include and inspire one another. We give help and comfort to friends and strangers in need.

We honor and uphold confidentiality and maintain healthy boundaries with each other. We are nonjudgmental, opening our hearts and minds to promote empathy and understanding.

We find ways to express and resolve our conflicts and misunderstandings. We speak directly and privately to those involved, listen with an open mind, make amends and practice apology and forgiveness. We engage in UUC's reconciliation practices as necessary.

We recognize this covenant as a living document and know we may review and adapt it to fit our changing needs and situations as we work together for justice, compassion and peace for all.
