### **Opening Hymn: "We Shall Be Known"**

We shall be known by the company we keep  
By the ones who circle round to tend these fires  
We shall be known by the ones who sow and reap  
The seeds of change, alive from deep within the earth  
It is time now, it is time now that we thrive  
It is time we lead ourselves into the well  
It is time now, and what a time to be alive  
In this Great Turning we shall learn to lead in love  
In this Great Turning we shall learn to lead in love  
We shall be known by the company we keep  
By the ones who circle round to tend these fires  
We shall be known by the ones who sow and reap  
The seeds of change, alive from deep within the earth  
It is time now, it is time now that we thrive  
It is time we lead ourselves into the well  
It is time now, and what a time to be alive  
In this Great Turning we shall learn to lead in love  
In this Great Turning we shall learn to lead in love

### Closing Hymn: "Building a New Way"

We are building a new way.  
We are building a new way.  
We are building a new way,  
feeling stronger ev'ry day,  
We are building a new way.  
We are working to be free.  
We are working to be free.  
We are working to be free,  
hate and greed and jealousy.  
We are working to be free.  
We can feed our every need.  
We can feed our ev'ry need.  
We can feed our ev'ry need,  
Start with love, that is the seed.  
We can feed our every need.  
Peace and freedom is our cry.  
Peace and freedom is our cry.  
Peace and freedom is our cry,  
Without these this world will die.  
Peace and freedom is our cry.
